

## BML HP QUALITY CENTER TEST SCRIPT GENERATOR

The BML HP Quality Center Test Script Generator creates test scripts in a Microsoft® Excel spreadsheet that can then be imported into HP Quality Center using the Test Plan Module.

### **BML HP QUALITY CENTER TEST SCRIPT GENERATOR**

The BML HP Quality Center Test Script Generator produces a Microsoft® Excel spreadsheet with the following format:

<b>Subject</b>	<b>Test Name</b>	<b>Description</b>	<b>Step Name</b>	<b>Step Description</b>	<b>Expected Results</b>
Name of activity that test is being performed on.	Name of test that is being performed.	Description of test that is being performed.	List of steps, each on a separate row that is required to perform the test.	A description of the step.	The expected results that should be encountered by performing the step.

Additional customization of the export can be provided.
